

UNDER THE UMBRELLA

Specialized Education for Children on the Autism Spectrum

MISSION

To engage learners in the areas of social and communicative development, along with school readiness skills. We provide a natural, yet structured environment that welcomes and accommodates each child's unique personality.

SUMMER CAMP WITH UTU

We are offering a 4-week and 3-week session this summer. Our **morning program is from 9-12 for children ages 3-6 years old.** Our **afternoon program is from 12:30-3:30 for children ages 6.5-10 years old.** All sessions are Monday-Thursday.

We are also offering a Transitional Kindergarten (TK) class from 9:00-2:30 for children entering kindergarten/first grade readiness skills.

This summer we are inviting siblings of campers to participate in our program! We are working on finding ways to have inclusion as part of our summer and fall programming and this was suggested by one of our parents!

**We will have exciting weekly themes, great visitors, music and movement, a sensory motor lab and so much more!!

Enrollment is limited, so please contact us so we can send you our registration form.
